January 2015!

## Semester Grades & Due Dates

### STANDARDIZED TESTS

Test dates scheduled for April

It's hard to believe it is 2015! Many students are still finishing first semester work, and should do their best to accomplish this goal by January 30th.

**Semester report cards and transcripts will be mailed during the first week of February.**

Students on APEX must finish the 1st semester, and Gradpoint students must finish 50% of English and Math or they will receive an **INC. on their transcript.**

Don't panic, we have a "year-round" program, but if you do not start your second semester in February, you may be working this summer. **Remember, CEA is CLOSED from July 1st-July 19th.** I am sure you do not want to complete summer school, and teachers enjoy a summer break as well.

**Follow the Grad-to-date assignments for each subject and do your best to work the required 20 hours a week.**

CEA requires **Standardized tests**, for students in 5th or 6th, and 8th grade, and all graduating students **not taking** the SAT or ACT collegeboard exam. The test is free of charge for all 5th or 6th, and 8th grade students.

CEA offers the Terra Nova test to students in any grade for a fee of \$100.00. This includes seniors who do not take the SAT or ACT exam. If you plan to have your child tested, contact Mrs. Z at ceamrsz@gmail.com no later than January 30th.

Testing time is scheduled for **April 1st-4th.**

**Please note:** CEA recommends that all 10th grade students register at [collegeboard.org](http://collegeboard.org) to take the PSAT.

### January Contest!

We are creating a new parent/student handbook for 2015. It has always been our policy to include our kids in the photos, for the handbook and for our website!

**Send us your best picture of yourself working on your courses,** or completing something toward school! Be creative, could be a sport, community service, your cat working with you, etc...

We will give prizes for the most creative workspace, cutest picture doing work, most creative picture while doing your God given talent, etc...

We need to have your **pictures submitted** by email to ceamrsz@gmail.com or to ceamissnason@gmail.com no later than Feb. 1st.

**AMAZON GIFT CARDS to 4 winners!**

Tati, a junior high student, won the \$100 Amazon gift card for the Christmas contest.

**Congratulations!!!!**

### Note to 2015 Graduates:

- We will offer a graduation ceremony if 10 students will attend. We typically hold the ceremony in Orlando or Cape Canaveral, Florida in June. **Please contact Mrs. Z by email ASAP if you plan to attend.**
- All graduates must take the SAT or ACT exam. Be sure to register with [collegeboard.org](http://collegeboard.org) in January. Our ETS code is 102311**
- Keep on track. Make sure you finish all work by May 31st.
