After July 19th, students may return to complete work on Apex **if parents call for new passwords**. Students will then have until the end of their contract to finish. Students re-enrolling for the 2015-2016 school year must finish ongoing subjects before taking ANY new classes.

About Mrs. Z

Cancer treatments are completed. There are many tests to complete over the next few months, but I want to thank everyone for the prayers and support. My voice is slowly coming back, and I hope to begin answering phones again after the summer break.

Mr. Zabor, Miss Gentile and many of the teachers have supported me in many ways. All of our students have as well. If you plan to re-enroll for the 2015-2016 school year, please let us know as soon as possible. We hold space for current students, but we expect many new students this year!

Thank you for those who took time to complete the surveys, and for those who wrote personal testimonies! All students and parents who completed the survey - and notified us, were entered into a drawing.

Winner of Student drawing: Hunter

Winner of Parent drawing: Mrs. Essling

We are so grateful for the many wonderful personal testimonies about CEA that were entered. Choosing a winner was very difficult. We had to let outside contacts choose winners for us. I think they all our winners.

Winner from student: Zola

Parent winner: Mrs. Cornwell
