## VACATION FAST APPROACHING!

**CLOSED:** Please remember summer vacation is almost here! While we provide classes year-round for Grapoint and 10 months for Apex, the business office and teachers take a short, summer break.

**APEX students will NOT be able to access classes at all-it is a system wide shut-down.** While Grapoint students can access lessons, there will limited grading and responses from:

**July 1st - July 20th**

This is in our contract agreement. Please honor your school and teachers by taking this time off as well. Please call us after the break to discuss continuing options.

## Final transcripts and Report cards

Final transcripts and report cards will be sent the last week of June. For high school students who have not finished the semester, an **INC grade** will be given.

After July 20th, students may return to complete work on Apex until August 13<sup>th</sup>, **if parents call for new passwords.** Students re-enrolling for the 2016-2017 school year must finish ongoing subjects before taking ANY new classes.

**NOTE: All students in ALL Grades must complete English and math to pass to the next grade.**

Thank you for those who took time to complete the surveys, and for those who wrote personal testimonies! All students and parents who completed the survey - and notified us, were entered into a drawing.

**Winner of Student drawing: Gaby H.**

**Winner of Parent drawing: Joy Whidden**

**Drawing for Student Testimony: Hannah B.**

*"I am a sophomore at CEA. This is my first year attending and I can honestly say it has been a fantastic experience. CEA is not for slackers, the curriculum is tough and the teachers expect only the best from you. Despite being an online school, I feel very connected to all my teachers, who answer any and all of my questions in a timely fashion. I chose Christian Educators because I dance and CEA allows me a self-paced program with teachers who care as much about me personally as they do about my education. Thanks to their guidance, I feel equipped to further my education...." Hannah B*

The CEA staff is very grateful for the many wonderful personal testimonies entered. Choosing a winner was very difficult. We had to let outside contacts choose winners for us. I think all of our students are winners.

**\*\*\*\$100** Amazon gift cards for Hannah B and Gaby H.

**\*\*20% off** of 2016-2017 tuition cost.

**10% off 2016-2017 enrollment**  
until June 15<sup>th</sup>.

Because CEA offers a limited enrollment, please let us know as soon as possible if you plan to return with us.
