## CEA Accreditation Surveys

**Its survey time again!** Our accreditation requires CEA to collect surveys from students, parents, staff and from our Board of Directors. These surveys are crucial to our ratings as a school. The links will be sent by email, but they are in the newsletter as well. In addition to the formal survey, **this is the time of year that I need your personal opinion about CEA.**

### A few key questions/opinions to include in an email:

1. Do you plan to return to CEA for 2015/2016 school year?
2. Would you allow your child to be on our CEA private school facebook account, or other social media?
3. Did you find our teachers helpful and more responsive this year?
4. Who was your favorite teacher, or most helpful person at CEA? Explain why.

And of course, **I encourage all parents and students to write a personal testimony** - just write a paragraph about why you like CEA or how it has helped you. Once you have completed the survey, which is **anonymous** and tracked by AdvancED, just email me a notice saying complete along with the answers to the above opinions and a testimony. Many new families rely on comments from parents and students while making their choice for an online school. Help us help others choose a quality online school!

## Prizes- Incentives~

1. Every student who submits an AdvancED survey, you will be entered into a **drawing for a \$100 gift card.**
2. Every parent who submits an AdvancED survey, you will be entered into a **drawing for \$200 off next year's registration.**
3. For the **best testimony** by a student, we give \$100 give card.
4. For the **best testimony** by a parent - \$200 of next year's registration.

We appreciate all our families and are blessed to serve you. **Cut-and-Paste the link below and answer survey questions.**
