

# CEA Special Offer!

10% off full-time, paid in full tuition rates  
from May 15<sup>th</sup>-June 15<sup>th</sup> Only.

**Christian Educators Academy** does its best to keep tuition affordable for all of our families. Due to the high cost of having the best accreditation and curriculum, we need to slightly increase tuition rates for the 2016-2017 school year. To help off-set costs, however, we are offering a **10% discount** for all returning families when tuition is paid in full by June 15<sup>th</sup>.

## New Rates:

High School	\$2400	Discount	\$2160
Middle School	\$ 1600	Discount	\$1440

Honors and AP Courses are available on Apex. Each Honors/AP course is \$100 per semester extra.

The discount does NOT apply, but to help families, the tuition Plans can be extended for 10<sup>th</sup> months:

	Total	Down	# Installments	Installment
High School Year	\$2600	800	6 or 10	300 or 180
Middle School - Year	\$1800	800	6 or 10	166 or 100

Gradpoint students enroll for a year and have 365 days to complete their courses. Apex students enroll and must complete all courses within 10 months.

## Survey Requirements

We are still accepting testimonials and surveys until May 15<sup>th</sup>. We have received some wonderful testimonies and your names have been submitted for the \$100 drawing. It's not too late!
