WHICH CLASSES ARE REQUIRED TO GRADUATE?

Graduation requirements for an online high school is based on the state in which the transcript or diploma will be issued. In the case of Christian Educators Academy, our home state is Florida. For a college preparatory diploma, graduates must earn:

4 credits	English
4 credits	Math, including Algebra 1, Algebra 2, Geometry
3 credits	Science, including Biology and Chemistry with lab components
3-4 credits	History, including World History, American History, Economics, US Government. We also highly recommend Geography
1 credit	Physical Education
1 credit	Practical Arts or a performing art such as dance
2 credits	World Language - such as Spanish, French or even Japanese!
.5 credits	Health
.5 credits	Computer Literacy- all students earn while taking online classes!
6-8 credits	Electives: with CEA, one must be Bible or Ethics

Elective credits can be in any subject area, including extra years of an organized sport, music, art, dance, or additional Bible credits. Some students enjoy taking career path courses such as business law, cosmetology, psychology or forensic science. Taking electives demonstrates your ability to be a well-rounded student and your commitment to academic success.

OCTOBER PHOTO CONTEST!

CEA is creating a new photo yearbook 2015. **Send us your best picture** of yourself working on your courses, doing something you love, or just a fun photo! CEA is giving \$100 gift card prizes for the most creative workspace and most creative picture while doing your God given talent, etc.... There will be a **junior high school and high school winner**. We need to have your **pictures submitted** by email to ceamissgentlegmail.com no later than October 31st.

CHRISTIAN EDUCATORS ACADEMY

Recently, we had a **new logo** commissioned for our school, which we are very excited about! This new logo will be on our website, our letterhead, and is the new "face" of CEA. It contains our school mascot, an eagle, which is inspired by the passage in Isaiah 40:30-31. I would encourage you to read the whole chapter, it's taken on special significance for us in the past year as Mrs. Z bravely battled and triumphed over her cancer.

A huge thank you to Rachel Wamsley, who designed our logo for us. We love the unique shape of the eagle and the crisp professional look. Hopefully you like it too! One of the **best** things about having an official logo is that we will soon be offering CEA gear. CEA is currently preparing the logo in order to use it on merchandise for students and staff. We are hoping to include options ranging from t-shirts to mugs and tote bags. We are finalizing the details now and ordering some prototypes to ensure that the print is of good quality while still keeping costs reasonable, and we hope to provide details in our next newsletter.

National Honor society

CEA nominates students for the National Honor Society every year. There are requirements the NASS requires and CEA also has a few additional requirements. Students must meet TWO of the criteria below:

- 1750 SAT score or higher
- 200 PSAT score or higher
- 26+ ACT score or higher
- Score 4 or higher on any AP exam
- 3.5 Cumulative GPA (4.0 Scale) or higher (or equivalent GPA)
- A minimum of 2 honors courses
- Proven well-rounded student with various electives
