

## Time for *CEA* to be scored!

### Survey Requirements

It's survey time again! Our accreditation requires us to collect surveys from students, parents, and staff. These surveys are crucial to our ratings as a school. The links will be sent by email, but they are in the newsletter as well. Just cut and paste the link below into your browser and complete the survey!

#### PARENT

Once you have completed the survey, which is **anonymous** and tracked by AdvancED, **PLEASE email me a notice saying complete** along with the answers to a few questions (see right) and I hope a personal testimony!

In addition to the formal survey, **this is the time of year that I need your personal opinion about CEA.**

**A few key questions/opinions to include in an email- send to [mrsz@christian-educators.com](mailto:mrsz@christian-educators.com)**

1. Do you plan to return to CEA for 2016/2017 school year?
2. Who was your favorite teacher, or most helpful person at CEA? Explain why.
3. Explain why you recommend CEA to friends.

And of course,

**I encourage all parents and students to write a personal testimony** - just write a paragraph about why you like CEA or how it has helped you.

Many new families rely on comments from parents and students while making their choice for an online school. Help us help others choose a quality online school!
