June 2017 Newsletter

VACATION FAST APPROACHING!

CLOSED: Please remember that summer vacation is almost here! While we provide classes year-round, with the Gradpoint curriculum only, the business office and most teachers take a summer break from

July 1st - July 18th

We suggest that students who have been working well throughout the year consider taking this time off as well. Apex classes close **very** soon, and will be available again beginning August 1st. For the few students working on Gradpoint through the summer, there will **always** be at least one teacher available by email to unlock students, even during the break. There may be a slight delay on more specific material-related questions.

REGISTRATIONS FOR 2017-2018

Many families registered early, taking advantage of the discount offered. Please remember that we take a limited number of students each year, so if you are planning to return, please notify Mrs. Z at mrsz@christian-educators.com or call 1-800-886-0501 as soon as possible before new registrations begin in July. Please see our website for payment plan options and new costs. The discount is still available until Friday!

HOMEROOM CONTEST WINNERS

As an online school, we have several students who have worked above and beyond this year, and have worked consistently and been "on pace" for the majority of the school year. We selected two students in Gradpoint (MS & HS), and one in Apex to receive a \$25 Amazon gift card.

Ellis K., Jared R., and Cayleb S.

Keep up the great work!

CEA has a new board of directors and a couple new teachers for 2017-2018. **Miss Gentile is now the Director of Operations for CEA**, as well as continuing in her other roles. Mrs. Z is still the Director/owner of the school. Mr. Zabor will not be working directly for CEA this year and is returning to the engineering field. We will also be saying goodbye to Mrs. Tanguay, Miss Nason, and Mrs. Sutcliffe. We thank these teachers for their service and wish them all the best in their new/expanded opportunities! **Please direct all enrollment or administrative questions to mrsz@christian-educators.com**

SURVEYS

We are overwhelmed with gratefulness at the number of responses received and personal testimonies given on our surveys this year. It was very difficult to choose a winner! These were the chosen testimonies:

WINNING PARENT TESTIMONY:

"This year marks our 6th year with students online with CEA. When we chose CEA, I was nervous and was not sure we had made the right decision. God knew that CEA was what our family needed. He led us to the school through a random internet search. Now all these years later, our 4th high schooler graduates this spring. All of them have graduated with an excellent education and have excelled not only academically but also socially and spiritually. Each had their unique high school career that was enabled by CEA. Their year-round programing, flexible scheduling, and attentive teachers and administration has allowed each of them to pursue extra curriculums (including extra music lessons, working, and missions trips) that would not have been possible in a traditional school setting. No on-line program is perfect, but CEA works through any issue that comes up. They approach each student as an individual and not just another face behind a screen. It has been a wonderful 6 years and I look forward to many more as we graduate another in 4 years!"

~R. Hartenstein

WINNING STUDENT TESTIMONY:

"I would recommend CEA to a friend because it allows for you to work at your pace. The teachers are very kind and help you in whatever way that they can. CEA is very helpful and has so many great teachers. Not only do the teachers work hard to help you with your work, they encourage you to work harder and keep up the good work. The teachers work their hardest to respond and to make sure that you understand the work that your doing. If you don't understand something, they will explain it to you as thoroughly as possible, and if you still don't understand they will work with you to make sure that you understand your work. CEA is great because I work ahead of my school schedule so that I can be calm during my heavy dance schedule this year. I'm glad to have CEA as a school because I can work as hard as I want at my own pace."

~Kieana C.

The CEA Administrators will be going through all the survey feedback carefully this summer to help improve the experience for parents, teachers, and students as best we can! We want to thank each and every person who participated in the surveys and for your feedback. It is so helpful for us to know what is working well as well as areas in which we can continue to improve! ☺

Randomly Drawn Survey Winners:

Student: Savannah S, John G. Alysa W. Savannah K.

Parent: Ms. Button
